Departments in Mysore, Bangalore.

Sir,

I have the honor to submit herewith a copy of letter dated 16-7-1913 received from Mr. W.L.Crawford requesting that a Local Fund Dispensary may be opened at Bidare in -- Khandya Hobli of the Chickmagalur Taluk and promising that he would meet the pay of the Sub Assistant Surgeon for 5 years and place at the disposal of Government a Mangalore tiled house for the location of the Dispensary.

The urgent necessity of establishing a Dispensary at the place is fully made out from the fact that the nearest dispensary to the place is at a distance not less than 17 miles as detailed in Mr. Crawford's letter.

The District Board having approved of his application resolved that necessary funds might be ~~made~~ provided in the Budget.

A copy of the resolution is herein enclosed for reference.

I request that sanction of Government may be kindly accorded to the opening of a Dispensary at Bidare at a cost of Rs. 526/- per annuam as detailed in the enclosed statement, the charge being met from the provision of Rs. 600/- under the marginally noted heads in the next year's District Fund Budget.

Which are these?

I have the honor to be,

Sir,

Your most obedient Servant,

President, District Board,

The Deputy Commissioner of

Kadur, Chickmagalur.

Sir,

I have the honor to invite your notice to the following. When I had last the pleasure of meeting you in Chickmagalur at the end of May I alluded to the extreme disadvantage those living in the Kandya Hobli Chickmagalur Taluk had as regards medical aid and I then said as I had a halfshare in a Coffee Estate in that Hobli I was prepared to subscribe liberally towards the Salary of an Hospital Assistant if Government could see their way to -- appoint one to that very out of the way corner of the Taluk.

2 To show how ~~my~~ very difficult it is for any one residing near Kandya to obtain medical aid I would respectfully beg to point out at present the nearest Dispensary is at Sollebile about 16 or 17 miles away, the next is Mudigere 24 miles distant and the District head quarters Chickmagalur the next and 27 miles distant this of course means that for all practical purposes the unfor--tunate Villagers and Forest Servants nave not the nearest chance of medical aid when ill.

3 Under the Malnad improvement Scheme I understand Government contemplate the establishment of several new Dispensaries in the Malnad and I have now the honour to beg that the claims of those residing in the Khandya Hobli should not be lost sight of. So keenly do I feel that a Dispensary is badly required in the Khandya Hobli that I am prepared to guarantee for five years the salary of the Hospital Assistant and place at the service of Government a suitable mangalore tiled house for living in and a Dispensary provided the Dispensary is located on the estate at Bidare all I would ask for in return is that the Hospital Assistant should attend to the sick people in the Estate lines free of charge -- whenever necessary.

4 The Dispensary would be open to the Public and the Hospital Assistant free to attend all calls made on him by sick Villag-rs and from time to time visit the outlying villages in the Hobli whenever considered it necessary to do so.

5 There is now a good cart road connecting Bidare to Aldur Balehonnur Road via Khandya village.

6 I believe I am correct in thinking the present policy of the Government of His Highness the Maharaja is to help those who help themselves and it is upon these lines I venture to make the above suggestion.

I venture to hold the opinion that medical aid should be within reasonable distance of all those living in the Mal-nad but I recognise the great difficulty that confronts the Government and that it is unreasonable to ask them to contri-bute the whole cost of numerous new Dispensaries and their up keep without some portion of the expense being met by thos whom it is proposed to benefit.

I have the honor to beg you will give this matter your best consideration and assistance as there cannot be two opinions as to the desirability of a Dispensary in the Khandya Hobli.

I have the honor to be,

Sir,

Your most obedient Servant,

SD/ W.L.Crawfard.
